The Mayor of North Brookfield, New York

Dear Sir:

Some twenty years ago there lived in your city one Mr. C. E. Mason and wife Julia. I know that C. E. Mason died several years ago and I understand that Julia, his wife, sent west to be near a son. Can you and will you please make the nexessary inquiry and send me her present address if she is still living.

It is for business reasons that it is necessary for me to contact her if still living.

Enclosed is stamped self address envelope for your reply, which I will appreciate very much.

I visited the Masons in hop picking time some twenty-five years ago and will never forget the smell and taste of the apple pies and fried chicken.

Most truly,

Mrs. L. C. West
